DET UI / REPORTING SCHEDULER

ignite
TECHNOLOGY SOLUTIONS
FOR THE MORTGAGE INDUSTRY

TAKE ADVANTAGE OF A
TRUE REPORTING ENGINE

Ignite's DET UI / Reporting Scheduler provides lenders a true reporting engine that can be configured to run reports at automated, scheduled intervals and deliver them to whomever and wherever necessary.

FEATURES
INCLUDE

- Every report can be independently scheduled
- Reports can be configured as csv, txt, and xml
- Deliver files to specified emails, shared network drives, sftp etc (internal or external recipients)
- Configure output values based on multi-facet conditional statements
- Reference data tables for data outputs
- Full log functionality for all reporting
- Configure writebacks into Encompass i.e. push data back into Encompass
- Configure conditional pull conditions / reporting criteria
- Admin dashboards showing application activity
